MEMOIRS.

REV. PAUL HENRY HOFFMAN

Rev. Paul Henry Hoffman was born March 12, 1823, in Randolph County, Va., on the south bank of the Potomac River, and passed to his heavenly home, from Wilmore, Ky., June 28, 1910. I do not like to use the term death, in the passing of this faithful servant of God. He sweetly fell asleep in Jesus. He spent the whole of his active life in the ministry of the gospel. I visited him the last of April, and in the few days I spent with him, and from what others have told me, I doubt if there ever was a protracted sickness that marked a greater trust in the Master, and triumph of faith, and peaceful passage to the glory land. Most of his waking and lucid hours were spent in praising God. And during his long illness, the unremitting and loving attention of his devoted wife and adopted son, who survive him, were so marked and tender that their praises were upon the lips of all who visited the stricken home. Surely it was a model home.

Owing to the fact that his home had been visited by flood and flame, the records of his early life were swept away; however, some facts concerning his ministry are known. He was one of the most industrious men I ever knew. He had a splendid physical form and robust constitution. He had a peculiarly clear and melodious voice, which made the hills and valleys of Virginia ring with its clarion notes in his younger days, and his wonderful appeals to sinners brought multitudes to Christ. His faithful work in Virginia and Kentucky is written on high. Among the many works which were the scenes of his ministerial labor (of which we have been able to learn) are Little Kanawha, St. Mary's, Point Pleasant, Ravenswood, and Guyandotte, in the Western Virginia Conference, and Vanceburg, Petersburg, Williamstown, Walton, Augusta, Minerva, and Dover, Poplar Plains, Richmond, Alexandria, Foster, Tilton, Shannon and Sardis, Mount Carmel, Mt. Olivet, and the Harrodsburg District, in the Kentucky Conference; and doubtless many others, the account of which we could not obtain. I know that it is customary to say many things about the virtues of the deceased, and the friends and loved ones like to see these things in print, but what more can I say than that he was a good husband, a good father to his adopted son, a good preacher, a friend to everybody, a man of God—A GOOD MAN. The funeral was

conducted by the writer, assisted by Rev. J. R. Deering and Dr. W. T. Vaughn, and I would only be too glad to copy the tender eulogy of Dr. Deering, if I could. A number of other preachers showed their sympathy and love by their presence. His body rest in the beautiful little cemetery at Wilmore, awaiting the resurrection of the good.

H. R. COLEMAN.

MRS. HESTER A. COOPER

Mrs. Hester A. Cooper, who was Miss Hester A. Sidebottom, was born in Mercer County, Ky., in 1838. She died in Nicholasville, Ky., at the home of her daughter, Mrs. H. H. Lowry, February 27, 1910. She united with the M. E. Church, South, at the age of 18. In the same year she was married to Rev. D. B. Cooper, a Methodist minister, who served many of our important charges in the Kentucky Conference, and who died four years ago. She was in the itinerancy 53 years. She was the mother of eleven children, seven of whom survive her.

Seventy-one years of human experience, fifty-three years of the itinerancy, gave a refinement and culture to her life that was of peculiar worth. Through this training she knew how to touch life with deft and sympathetic hands, whether she found it bowed in the valleys of gloom or erect on the hills of joy. She not only knew how to speak to the hurt heart, but she also knew when to speak. Many an aching brow felt the gentle caress of her trained hand. There were no abrupt intrusions of her sympathies; she knew when to speak as well as how.

The joyful and the sorrowful, the young as well as the old, sought her company and desired her counsel. She entered into the young people's merriment with the same ease and concord that she entered the dark room of hearts stricken with grief and disappointment. But she was ever watchful of their best interests. She guarded against the border-line amusement. She was strict without being harsh. She was lenient without being indulgent. She knew how as well as when to advise.

One who could do so much good necessarily had a great deal of her own goodness upon which to draw. And those who knew her in the latter years were impressed with the fact that she gave to others always out of what she herself had received. Her experience in the itinerancy had endowed her with a wonderful and an abundance of human kindness and spiritual insight. She was a good mother, a magnanimous friend and a lovely Christian who had learned how to grow old beautiful—I had almost said youthful, so youthful was she in spirit until her life's sun sank quietly behind the western line. A most beautiful life, housed in a very frail body, left us when she passed away.

I am sure that she herself would shrink from being called a saint, although it is not clearly understood what constitutes a saint. Nor do I so designate her; but of the Christian graces with which we are familiar, she possessed as many as any one I have ever known. None were more modest than she. Her desire seemed to be always a humble

follower of her Master, but one who did the Lord's bidding. She was unselfish apparently from nature, rather than from training. As she sought first His Kingdom and His Righteousness, so she seemed to think first of what she could do to make others happier and better. She denied herself many times; she never denied others at any time. Her modesty and unselfishness naturally flowered into a tender and loving kindness. In the four years of our fellowship no bitter thought, no harsh word was ever heard from her lips. She was interested in what others were doing because she was kind, and whenever she discovered a sincere desire in another to do right she was ever ready with a word of encouragement. The influences of her life were always gentle and gracious, never stormy, never strident. It is worth much to have felt the touch of her gentle life. She was trustful, she had faith. A serener confidence in God and man it has never been mine to see. To the very last, through all her bodily suffering, her undisturbed faith seemed but the natural result of a patience that had had its perfect works. Her faith was made beautiful through suffering, or rather, its beauty was seen in her suffering. Through faith she saw the reality of life on both sides the divide. To her faith *was* the substance of things hoped for, the evidence of things unseen. Surely she, too, believed God and this was regarded by Him as righteousness. Death seemed to have lost its sting for her even before the grave had claimed her as its victim, so real had her faith made life both here and there. It was through such a faith that she built such a character. She was a Christian in life and in death.

These are graces that were easily seen in her life by all who knew her, and these are the credentials of her character which she took with her to Him who said, "He that believeth in Me, though he were dead, yet shall he live." She believed in Him.

MRS. G. G. RAGAN

Mrs. G. G. Ragan, wife of Rev. G. G. Ragan, a deceased and honored minister of the Kentucky Conference, was born in Pulaski County, May 5, 1828; died May 23, 1910, at her home in Jessamine County, Ky., in the assurance of faith. She was the daughter of Rev. John Godbey, a Methodist minister; was converted in early girlhood, and joined the Methodist Church, South, at Soule's Chapel, which was near her father's home.

Her relationship in family ties to the work and ministry of the Church was one of the most distinctive in the church record of Methodists for a century past. She was the daughter of a Methodist preacher, the sister of three, the wife of one, and the mother of three sons who became ministers of the gospel. Rarely has a woman's life been found in the annals of Methodist womanhood in the past six generations of Methodist history, which was more closely and widely linked by the hal-

lowed ties of home and kindred, or adorned with nobler devotion in the fellowship of endeavor, duty and trial for the things of the Kingdom of God. For, as a child of the home, as a young woman on the sacred threshold of her life mission, as a daughter, sister, wife, and mother in Israel, her witness was consistent, her loyalty unceasing as her faith was unwavering.

As a wife and mother her character was noted for the high graces of intelligent consecration, blended with the fortitude of faith, patience and righteous endeavor in all relations of life. The experiences, exactions, endeavors of the itinerant ministry—served in the life of father, brothers, husband and three sons—were as so many avenues that converged upon the intelligence of her faith, over which daily and momentarily came the experience and enlargement of the great messenger service of the great salvation. The thought, act, habit, character, and life of the father in the work of the itinerant ministry had rocked the cradle of her earliest infancy; as a sister, she had seen three brothers leave her side to sever the hallowed ties of home affection, for the Master's sake; as a wife, she plighted her young life in the radiance of its early morning to go forth with her husband to hear and serve the Master's call; and again in the holy mission of maternity, she goes down to the gates of death that children may come into the world, upon whom her consecrating hand may rest to give and send them forth into the world as faithful and honored messengers of the Son of God.

Really, truly, in all the elements of an appealing and compelling history is there not the plea and power of a hallowed life chapter before this presence at this hour? An appeal that gives for this day of moral murk and shadow in church homelife, a sacred luster, that falls from an upper sky—to messenger a call to home altars, where the holy incense of family worship is known only by the coarse footprints of forgotten church vows—trampling down even the white ashes of the altar fires of Faith—no longer kindling its invocation to the throne of an interceding Christ. Shall such a life as that which now descends upon us in this hallowed memorial hour present to Kentucky Methodism its lesson in vain? A life be it reverently submitted—in its genealogy of associations; in the life time journey of its submissive, ready faith—has no more exalted likeness, as such, in the pages of church history; a life that speaks not only through the blood of the Cross, but in the blood and behest of a continuing family ministry, through which “though dead, she yet speaketh.”

Neither for the fallen home altar worship of Kentucky Methodist homes should this life memorial lift its voice in vain. We are talking, printing and testifying—and none too much—for descent of revival power, conference-wide, state-wide, nation-wide, world-wide, upon the sleeping Church of God. But let the revival come till the eternal splendors of regenerating glory fall to mantle every hilltop and bathe every valley with the token of God's favor, and then let no kindling fire fall upon neglected home altars—and our revival will be transcient as the morning

dew. Yea, if the lesson so exalted before us in Faith's victories, ministers to us—it will be that faith's revival is not to have its Omega, but its Alpha, in our family altars restored, as the beginning place; as Christ's own upper room rebuilt and restored as the shrine and salutation of Pentecostal power. And so in Mother Ragan's life chapter; from the first hour of the cradle rock to the hour of her ascending chariot—in all the golden bond of parenthood, motherhood, childhood, girlhood, wifehood, to motherhood again, the family altar was for the bread of the daily strength—"until the Eternal Morning paled in its glories all the lights of time." For her, in the faith kept, in the course finished, its memorial was central; a throne, high and lifted up. For us, it must be first of all, God's own entrance gate to the promised land of an Awakening Church; for the passion of a mightier faith, a nobler zeal, a more dauntless courage in the battle for souls—until He shall say, "It is enough—come up higher."

E. H. PEARCE.

MRS. KATHERINE K. JOHNS

Mrs. Katherine K. Johns (nee Vaught) was born in Wythe County, Virginia, February 23, 1824, and departed this life February, 1910, at North Pleasureville, Ky. She was married to the Rev. William G. Johns, an honored member of the Kentucky Conference, January 4, 1849. Bro. Johns died October 23, 1866. His funeral was preached at Hardinsburg, Ky., by the Rev. T. J. Godbey and Rev. Thos. Bosley. Bro. Johns had filled faithfully the office of an itinerant minister, suffering all the privations and hardships of those troublous times.

Beginning side by side with him in those hardships stood his faithful wife, who loved and revered his memory until the day of her death. She was left a widow in 1866 with eight children, two boys and six girls, and all are living save one son, Andrew Bruce Johns, who died at the tender age of one year. The other son is Dr. Bascom Johns, an honored physician of Lexington, Ky. The daughters live in different localities.

Mrs. Johns was an aunt of the Rev. J. O. A. Vaught, presiding elder of the Frankfort District. She continued in excellent health until three years before her death, when she suffered a nervous breakdown. It was certainly a blessing that she enjoyed good health, for there were many hardships during the long forty-four years of her widowhood. There were many times during this period that tried her faith, but with a firm faith in Providence she struggled with heroic courage. She learned to endure privation during the itinerant ministry of her husband. Sister Johns lived in the most pivotal times of the world's history. During her long life of more than eighty-six years she has seen her country plunged into two great wars; the greatest achievements in human history, all the great inventions of modern times, her country transformed from a wilderness into the greatest nation of the earth. She lived in that period which saw her church grow from a struggling band to the mightiest denomination in the country.

Everyone speaks well of Sister Johns in the community where she lived and died. The night was never too dark or cold for her to go and minister to the suffering. There are many who speak with emotion of the administrations of Sister Johns. She had been a member of the Methodist Church since her early childhood. Her home had always been the home of the preacher. Often ministers of other denominations stopped in her home. She loved her church with beautiful devotion.

On one of the bleakest days of last February her pastor preached her funeral to a good sized audience, reading the full ritual of our Church for the burial of the dead.

Her reward is sure. May the Father of us all bless those that miss her so much. A mother in Israel has fallen, a beautiful life has gone. Let us follow its light. She awaits us at the gates of the Eternal Morning.

REPORT OF ORPHANS' HOME COMMITTEE

Your Committee on Orphans' Home begs leave to submit the following report:

We have carefully considered the reports of Bros. H. Wirgman, the president, and E. S. Boswell, the agent, and are pleased to note the following facts:

1st. That we have a larger number of children in the home now than for several years.

2nd. That close attention has been paid to placing children in good homes throughout the conferences.

3rd. That the children have the best advantage of schools and are making good use of their opportunity; evidenced by their daily school reports.

4th. That the agent keeps in touch with the children placed in homes and is much concerned as to their future development.

5th. That the health of the children is cautiously looked after by Christian doctors, and that without compensation.

6th. That by the diligent effort of our agent, the home has been kept free from debt through another year.

Therefore, we recommend: 1st. That all our churches give our agent, Brother Boswell, an opportunity to present the claims of the institution.

2nd. That all our Sunday schools co-operate in the Fifth Sunday Movement which has already proved such a great blessing to this noble work.

3rd. We further recommend the endorsement of the re-election of Miss Laura Y. Nodal as matron and E. S. Boswell as agent.

REPORT OF THE CONFERENCE BOARD OF EDUCATION.

The board desires to express its appreciation of the presence and counsel of our General Secretary of Education, Dr. Stonewall Anderson. His report of the general education situation in our Church is encouraging and should provoke us as a conference to more aggressive work.

Vanderbilt University is enlarging its work and efficiency. It deserves our support and should have our young men seeking university training. The Correspondence School has done a great work during the past quadrennium. We urge our undergraduates, and more mature ministers, as well, to avail themselves of its help.

We call attention to the vigorous campaigns in other conferences, to enlarge their college endowments. There are now nine colleges which have more than \$100,000 endowment; five which report over \$200,000; three which report \$300,000 and upward, and Trinity College that reports \$500,000. Vanderbilt University reports \$1,500,000.

The figures for our own Kentucky Wesleyan are as follows: Students, 155; Value of Property, \$100,000; Endowment—Notes \$58,487.51, Stocks \$6,015, Cash \$2,291.68, Total \$66,794.19.

We endorse the recommendation of our General Secretary, Dr. Stonewall Anderson, that the subscribers to the Educational Endowment Fund pay the entire \$5 at one time, rather than in installments, where convenient to do so.

We recommend that the assessment for conference education be made the same as last year, viz., \$5,000.

Respectfully,

J. P. STROTHER, Secretary.

REPORT OF THE BOARD OF EDUCATION OF KENTUCKY
WESLEYAN COLLEGE.

We desire to congratulate the conference upon the record the Kentucky Wesleyan College has made in the year just closing. The institution maintained its rank in the Kentucky Association of Colleges. Much of this was due to the capable leadership of our new president. The faculty also had their share in results achieved. The graduating class, both in number and quality, was an honor to the institution.

The conference may recall that in the report a year ago attention was called to the fact that arrangements had been made for revival services in the college. We are glad to state that these services were honored of God in the conversion of practically all the student body that were unsaved.

The opening the present year is better than was expected. A large body of new students has matriculated.

The Board of Education at its meeting in Winchester, March 24, 1910, devoted itself to the consideration of the need of a library for the college. After much discussion, it was decided by a unanimous vote to undertake the raising of \$15,000 with which to meet the offer of Mr. Carnegie for a like sum. As \$5,000 of the \$15,000 was made available from one source, the remaining \$10,000 was divided among the six presiding elders' districts, and a committee appointed in each to collect the same. Over sixteen hundred dollars of this amount has already been subscribed; and we hereby urge a vigorous and immediate campaign to secure the remainder. To this end we bespeak the co-operation of the pastors and the liberal support of our people.

Respectfully,

J. P. STROTHER, Secretary.

REPORT OF COMMITTEE ON SEPERANNUATE PARSONAGES.

Your committee appointed to confer with W. O. Davis, of Versailles, Ky., concerning a plan to provide permanent residences for the superannuate preachers of the conference, begs to submit the following report and recommendations:

The committee had thorough presentation of the subject by Mr. Davis and Rev. J. J. Dickey, and considered many plans now in operation in the care of superannuate preachers, and voted unanimously to recommend that the conference take up the simple, but very effective, plan now in operation in the North Alabama Conference. That plan does not interfere with the work done by the Preachers' Aid Society, but rather augments it.

We recommend that a Board of Trustees be appointed, or elected, by the conference, consisting of the presiding elders and an equal number of laymen, taking one layman from each presiding elder's district; and that this board be instructed to act for the conference for the next

year, to take whatever steps may be necessary to incorporate under the state law, if necessary, and otherwise develop the plan, and report to the next annual session of the conference.

Mr. Davis guarantees that the Versailles church would donate the first parsonage, and would be ready to turn same over to the board as soon as it is properly constituted and authorized.

W. F. VAUGHAN,
A. T. O'REAR,
E. G. B. MANN,
For the Committee.

REPORT OF COMMITTEE ON SPIRITUAL STATE OF CHURCH.

We, your committee, appointed to consider the Spiritual State of the Church, and to submit a plan for a conference-wide evangelistic campaign, are fully aware of the great importance of the matter you have committed to our consideration. Spirituality is the great concern of the Church. Primarily we are not a mere social organization, nor an agency for the collection and application of funds, nor a society for the promotion of moral or civic righteousness. These have their importance and place, but their place is secondary, and the chief end of the Church is to promote the spiritual welfare of the people. If we fail in this, we fail in all. The salvation of souls, the development of saintly character, the living of pure and holy lives—this is the first and only true work of the Church of Jesus Christ.

We are happy in the belief that there is an upward movement in the spiritual state of our conference. There is worldiness to be lamented, and coldness, deadness and indifference in the church. The world, with its pleasures and its vices, its dissipations and its covetousness, holds many of our people in its grip of death. But we must not fail to note the multitudes of godly men and women among us, whose piety and self-sacrificing devotion are equal to that of any generation of the past. These are the salt of the earth and the light of the world. The gospel we preach is still the power of God unto salvation to every one that believeth.

The past year has witnessed many gracious meetings in our conference. Many hundreds of men and women have been converted and turned from sin. While we deeply regret that we have not done more, we devoutly thank God for the tokens of His presence and saving grace among us. The meetings held by our conference evangelist have been uniformly successful and God has given to our pastors many seals to their ministry in their own charges. And it is gratifying to note that, in most instances, the time-honored methods of Methodism have been used. The altar of prayer is not obsolete among us. The conversions, too, have been of the old-time type. The shout of new-born souls, consciously emerging from darkness into light, is not a forgotten sound in our midst.

Yet the need of a deep, wide-spread revival was never greater than now. God is among His people, but Satan, as a roaring lion, is abroad in the land. There have been revivals of religion; but worldliness has assumed new and more enticing forms, and many are led astray. The cross has attracted its hundreds, but thousands are held in the thrall of pleasing vice and counter attractions were never so many as now. Ministers and people have been crying to the sinful multitudes, "Behold the Lamb of God!" but many have, by voice and pen, been apologizing for sin and spreading a glamor over self-indulgence and wickedness of every kind. The only thing that can turn the tide of political corruption in our State, put an end to lawlessness, hold in check the liquor power, overcome the greedy lust for gold, prevent Sabbath desecration, and save the people to godliness and happiness, is a deep, thorough, wide-spread revival of the religion of the Lord Jesus Christ.

The realization of such a revival is not only possible, but easily within our reach. The day of such revivals is not past. God is still in the heavens. He still hears the prayers of His people and withholds not His Holy Spirit from them that ask Him. The old gospel which has wrought such wonders in the past, still has in it the power of God and the wisdom of God. If we really want the revival, it may be ours.

BUT HOW IS IT TO BE REALIZED?

Before offering our suggestions upon this point, we would direct attention to a few fundamental facts which should constantly be held in remembrance:

1. A revival cannot be brought into being by mere resolutions and unctious speeches at the seat of the annual conference. Here is where we may get inspiration and make a new and fuller consecration of ourselves to the service of God. Here we may kindle afresh the fires of a holy zeal in our own hearts. But unless the preachers and laymen here today carry this new fire to their respective charges, and by hard work and assiduous, determined effort kindle the conflagration there, the revival will not come.

2. A genuine revival is seldom imported from afar. It is born out of the heart-cries of the people who are graciously affected by it. The professional evangelist and the great preacher from the distant state or city may help, but the hearts of our pastors must break, and the burden of souls must lie heavy upon our own people before there can be any revival of God's work among us.

3. True revivals do not come by organization and manipulation. They are not planned and ordered; they are sent down from above. Plans and methods and organization may have their place, but our dependence must be in the power of God and the Spirit of God. If we forget this, all our efforts are fore-doomed.

4. No great revival has ever come except in answer to prayer. Strong cries and tears before God must precede the out-pouring of God's Spirit. Every preacher and every layman here today would do well to

enter into a prayer covenant with his brethren, pledging himself to earnest daily supplications until the revival breaks upon us.

5. Every great revival has followed upon the strong and positive preaching of some great Christian doctrine. The reformation under Luther sprang from the preaching of the doctrine of justification by faith. The revival under the Wesleys was the product of the doctrine of a conscious salvation from sin, witnessed to by the Holy Spirit. If we would have a great revival in our conference we must get back to the preaching of the great fundamental doctrines of the Word of God.

In promoting a conference-wide evangelistic campaign it is naturally expected that the presiding Bishop, the presiding elders, and the pastors of the conference assume the leadership in such a movement. These must be thoroughly imbued with the spirit of evangelism or they will do nothing. Too much emphasis cannot be put upon this. Faint or half-hearted leadership is fatal to any cause. Unless we have the revival spirit there will be few manifestations of revival power. Without this spirit upon the leaders all plans and methods will prove ineffective. With this spirit, there is little need of any specific plan, or resolution, or organization. All that is needed then is opportunity.

But while the leadership must fall upon the Bishop, the presiding elders and the pastors, every force of the church should be brought into earnest co-operation. Local preachers, lay leaders, official boards, Sunday schools, Epworth Leagues, missionary societies, the church press—every factor that can be used in such a campaign should be enlisted at once and share in the efforts to be put forth. Give every one something to do, and if these elements can be imbued with the revival spirit, victory is already ours. Sinners will soon begin to tremble and cry, "Sir, what must we do?"

RESOLUTIONS.

We offer the following resolutions:

Resolved, 1, That the Conference Board of Missions be requested to put two or more evangelists in the field this year, if in their godly judgment they deem it practicable to do so.

Resolved, 2, That we, the preachers and laymen of the Kentucky Conference, will go to our homes with the fixed purpose, by the help of God, of having a revival in every church; that we will not be satisfied with anything short of this; that we will begin at once, and with renewed earnestness, from the pulpits, in the homes of the people, by the wayside—wherever we can find an opportunity—to call sinners to repentance and to plead with them to come to our Christ and be saved.

Resolved, 3, That our conference organ, the Central Methodist-Advocate, be requested to devote one or more issues specially to the promotion of this campaign. Thousands of copies of these issues should be scattered among the people. Resolved, further, That the Pentecostal Herald, which circulates largely among us, be requested to lend us aid in this great endeavor.

Resolved, 4, That each presiding elder hold at some central point in his district, at as early a date as possible, a meeting of all the preachers and leading laymen of his district for the purpose of praying together for an outpouring of the Holy Ghost, infusing them with the revival spirit, and planning a campaign that will reach every part of his territory. Pastor and local preachers, exhorters and lay leaders, may be used in this work, sending them out not only to the churches, but to the school houses and out-of-the-way places, and into the homes of the people, until every soul shall have an opportunity to turn to the Lord.

Resolved, 5, That Friday, October 14, be set apart as a day of fasting and prayer for an outpouring of the Holy Spirit and a revival of God's work.

We do not feel that it would be wise to outline and order a plan too fixed and specific, lest we might fetter individual initiation and enterprise and hamper the Spirit without which no success is possible. The Holy Ghost must be our Leader in all the enterprise and place must be given for His guidance and control.

We, your committee, assure the conference of our most hearty sympathy with this evangelistic movement, and pledge our prayers and best effort in the promotion of the work.

REPORT OF COMMITTEE ON TEMPERANCE

We, your Committee on Temperance, beg leave to submit the following report:

No more stupendous conflict has ever been waged since the days of the Apostles than is now being waged between the American church and the saloon system of the country. The church has at last come to realize two things:

First, That in competition with the open saloon she is a comparative failure; and,

Second, That in battle with the open saloon she is a universal success.

She has seen at last that she must fight this battle to a finish, that there can be no compromise; there must be no truce. From one ocean to the other this battle is being waged with desperate determination by both sides.

We note with pleasure the aggressive work that is being done in all the states of the Union, and especially in eighteen of our states and two of our territories.

In this great conflict our own Dr. G. W. Young has been one of the most effective and efficient workers.

Whereas, our Church has by her aggressive attitude in this controversy, assisted in ridding a large part of her territory of the saloon curse, her bishops, her preachers and her press being in the front rank of this battle line, and seven states in the territory of the Methodist Episcopal Church, South, having already solved the problem of the open saloon, and,

Whereas, Our Church has by her utterances and actions, condemned the saloon, be it resolved:

First, That we encourage every legitimate and commendable organization having for its end the abolition of the liquor traffic.

Second, Since the Anti-Saloon League is the agency most feared by the whisky press of this country, its money being spent, its arguments directed to the breaking down of its influence; that we co-operate heartily with the league; that we open the doors of our churches to its representatives, and urge our people to its support.

Third, That we nominate Revs. W. E. Arnold and M. S. Clark to represent us on the State Board of Trustees of the Anti-Saloon League, And we request the Bishop to re-appoint Dr. G. W. Young Assistant General Superintendent of the Anti-Saloon League of America.

Respectfully submitted,

B. F. CHATHAM, Chairman.

JAMES E. WRIGHT, Secretary.

REPORT OF THE BOARD OF MISSIONS.

The quadrennial report of the General Board of Missions shows that the past four years have marked the greatest advance ever made in the missionary operations of our Church. In money contributed, in missionaries sent out, in souls saved and added to the church, the quadrennium stands without parallel in our history. For this general prosperity of our Church, as it looks toward the saving of the heathen, we return to God our sincere and devout thanks.

When we turn our eyes back upon the field lying at our door, there are likewise reasons for thanksgiving. The offerings of our people for both foreign and home missions have considerably increased during the quadrennium; every man serving a mission charge in our conference has been paid promptly and in full every cent promised him. We have been forced to surrender at no point, and two county-seat towns in the mountains, formerly abandoned, have been re-occupied. Some of our mission charges have shown considerable improvement, and one, namely, Middlesboro, four years ago but a weak mission station, has assumed entire self-support. Add to this that there has undoubtedly grown up a more intelligent interest in this field by the whole conference, and we have a situation by no means discouraging.

But after all that may be said, it still remains true that the field is only half cultivated. For lack of resources, we have been forced to remain largely in the county-seat towns and the country sections are almost

untouched. Mines have been opened and industrial enterprises undertaken which have called for large bodies of laborers, but we have not had the men or the money to send these the Gospel. In many places only unmarried men can find support, and as unmarried men, at least with us, are usually young and inexperienced men, the work has often been but little more than an experiment. There has been a constant change of the workers, except in a few cases, and there has been but little continuity in the work.

Your board believes it has done the best it could. When we remember that at least one-half of our conference is genuine missionary territory, a territory larger in proportion than that of any other conference in the connection, and that our people are by no means a wealthy people, we believe that few conference Boards of Missions have been able to do better than yours.

We come again asking that early collections be taken in every charge. Let the collections on Home and Conference Missions be taken in November, and that for Foreign Missions not later than March, and let these collections be in full. It is the policy of this board for the coming year to insist upon the presiding elders organizing, planning, and pushing for assessments in full from their respective districts, and this can be done only through our pastors.

We are glad to announce that R. M. Smith, of LaGrange, Ky., and Rev. C. C. Fisher, of Millersburg Female College, appeared before the board and offered to support a native preacher each in Korea for the coming year, pledging \$100 each for this purpose. We recommend the spirit of these brethren to all our preachers and laymen.

We recommend the appointment of C. F. Oney as Conference Missionary Secretary.

We recommend the appointment of W. O. Sadler and A. P. Jones as Conference Missionary Evangelists, and that their salaries be fixed at \$1,100 each and traveling expenses, with the understanding that the conference assume responsibility for any deficit.

We are glad to have with us Dr. C. F. Reid, secretary of the Laymen's Missionary Movement, and Willard G. Cram, our own missionary to Korea, and express our appreciation of their words of encouragement and hope.

C. F. ONEY, Chairman.

C. A. TAGUE, Secretary.

SUPPLEMENTARY REPORT OF BOARD OF MISSIONS.

The following is respectfully submitted by your Missionary Board for consideration and action:

First. The forward movement of the cause of Home Missions in, bounds of the conference is supremely vital as conceived for the coming conference year, 1910-11.

Second. After repeated sessions and careful consideration, your committee, being under advisory with the chairman of the conference,

finds that needs of pastoral charges are such that men desired as conference evangelists cannot be spared from their respective fields to extent called for.

Third. In view of above facts, the following is submitted as plan of conference-wide evangelistic for year 1910-11:

Under co-operative of chairman of the conference, the Board of Missions, and elders of districts, also of the Laymen's Mission Movement, it is submitted that an advisory board be constituted for the coming year to serve the evangelistic mission; the organization and function to be hereafter defined for what may be practical and efficient.

Fourth. Under authority and direction of such advisory, each pastorate, as it may be called upon, will contribute the service of its pastor from ten to thirty days, as exigencies may demand; such call and appointment to include not only pastors, but such laymen as may be willing to take part in the great work of winning souls to Christ.

Fifth. This special movement is not herein set forth to displace any other adjustment for evangelistic service that may now or hereafter be endeavored in bounds of this body, being only supplementary thereto.

Sixth. The plan as set forth for conference year 1910-11 shall be known as the Free Will Movement, for the present conference year, as representing both pastors and congregations, and also specifically the Laymen's Missionary Movement.

Seventh. In all places where the movement is served collections shall be solicited; also provision and endeavor in distribution of such literature as may contribute to ends desired.

This report as special for consideration and action of this body is served only as supplementary to the report previously submitted by your Missionary Board. For thorough information to pastors and people, it is specifically requested that this supplementary report be printed for distribution in circular form, in order to more thoroughly advise and awaken for co-operative and contributive set forth.

REPORT OF THE LAYMEN'S COMMITTEE ON LAYMEN'S MOVEMENT.

HARRODSBURG, KY., September 22, 1910.

The Laymen's Committee, appointed by the Kentucky Annual Conference met in Dr. C. B. VanArsdall's parlors. The following members were present: W. W. Ball, G. N. Hobbs, W. H. Beverly, J. Andrew Cain, Dr. C. B. VanArsdall, W. S. Hays.

Prayer was offered by Dr. C. F. Reid, the general secretary. On motion, W. W. Ball was elected chairman and W. S. Hays, secretary.

Your Committee of Laymen beg to report as follows:

First. That we have carefully considered the letter addressed to this conference by the General Secretary of the Laymen's Missionary Movement and heartily approve the policy of the movement so far as it is expressed therein.

Second. We recommend that this conference renew its resolution made at the last mid-year meeting of 1910 as follows: to raise \$2,250 for our mountain work in Kentucky, and \$2,750 for work in Korea, and earnestly request our presiding elders and pastors to heartily co-operate with us in this special.

Third. We believe the every-member canvass, seeking to secure a weekly offering for missions from every Southern Methodist, will en-

able us to do our share in evangelizing Christless men at home and abroad, and that it will eventually solve most of the financial problems of the Church, and we hereby pledge our laymen to a full co-operation with our pastors in carrying it into effect.

Fourth. The very marked success that has attended the use of the "duplex envelope" leads us to urge its general adoption as the simplest and most effective device for collecting missionary money and the current expenses of the church.

Fifth. We believe that "Go Forward," the "Christian Advocate" and the "Central Methodist-Advocate" offer to the Laymen's Missionary Movement convenient and effective media for the education of our people on the subject of missions and for keeping them informed on the progress of the work. Therefore, we respectfully request the managers of these papers to open a Laymen's Missionary Department, and recommend that the missionary committees make it a part of the every-member canvass to see that one or all of these publications be put in every Southern Methodist home in this conference.

We hereby nominate Dr. C. B. VanArsdall for Conference Lay Leader, and W. W. Ball for Conference Vice-Leader, for the ensuing year.

Respectfully submitted,

W. W. BALL, Chairman.

W. S. HAYS, Secretary.

REPORT OF THE EPWORTH LEAGUE BOARD.

Of all the years since the Epworth League was organized, none are so encouraging as the past one. We now look forward with great hope for the league in the Kentucky Conference.

Our Epworth League Assembly, held at Mt. Sterling in June, was a great success, especially when we consider the lethargy of so many of our pastors. We find Bro. Watts to be the right man in the right place, and from his report to this body we recognize in him the man to lead the young people of our Church. We heartily recommend all the officers of our Conference League, and look forward to our next assembly, which is to be held in Frankfort, June 21, 1911, with pleasing anticipations of a great meeting, hoping that a revival wave may sweep over our entire conference.

The anniversary, held on Wednesday night of this conference, was a surprise to many. The addresses of Rev. B. M. Nelson and Dr. F. S. Parker were full of wholesome instructions and practical suggestions. We trust that all the pastors will profit by the good advice. We are glad that each anniversary grows in interest.

The most encouraging feature of our league work is the great awakening concerning the Junior League and the salvation of our children.

The districts are all organized and fairly well officered. We recommend the following work for next year:

1. That every church in the bounds of the Kentucky Conference be requested to observe October 16th as "Epworth Era and Junior League Day"; that the program furnished by Miss Kathleen Thompson, our Junior superintendent, be adopted for that day, or a similar one be rendered.

2. That we as pastors and leaguers pledge our hearty support to our Conference League organizations and do all in our power to make our next assembly, which will be held at Frankfort, a success in every way.

3. That we pledge ourselves to Resolution 3 of last year, found in the Minutes of Kentucky Conference, page 56.

4. We recommend that the missionary department of the Junior League become auxiliary to the Woman's Department of the Board of Missions.

5. We further recommend that each member of the Epworth League Board use his utmost endeavor to promote the league work within the bounds of the district in which he may reside, by helping to organize local chapters where none exist, by visiting neighboring leagues, and by co-operating with the conference league organization, the district league officers, and the central office at Nashville.

6. We earnestly request our conference evangelists to keep supplied with Epworth League literature and organize local chapters where, in their judgment, it can be done.

7. That we hold our regular Epworth League Anniversary on the first night of our next annual conference.

T. W. BARKER, Chairman.

C. A. GOSSETT, Secretary.

REPORT OF THE SUNDAY SCHOOL BOARD.

Your board respectfully submit that they have diligently and patiently endeavored, during the past year and at this session of the conference, to do the work assigned them. We have striven to stimulate the conscience and arouse the interest of our people in the work of the Sunday school. The board has had two objects in view, both to create greater enthusiasm for Sunday schools, and to awaken our people to the importance of the chair of pedagogy in Vanderbilt University.

Circular notes were sent to almost every pastor and every superintendent in the conference. Only sixty-nine ordered Children's Day programs through this board, though they were offered free of cost. The results of our efforts are somewhat disappointing; yet, the new board will find encouragement in what we have done.

We recommend that all our pastors, superintendents and a delegate from every school attend the state meeting of the Kentucky Sunday School Association at Winchester, Ky., October 6 to 9, 1910.

While the interest in this work is far less than it ought to be, we are glad to say that many of the preachers and many laymen are aroused and the conference may confidently expect more cheering reports at our next session. We must be up and doing if we respond to the great progress indicated in the report of our Sunday school editor.

Referring to his statement, we find that during the year there has been an increase of 327 schools, 6,144 officers, and 66,312 pupils. In the circulation of the uniform lesson helps there has been a loss of 500 in the Primary Teacher, caused by substitution of the Elementary Graded Courses. The Home Department Quarterly is steadily growing in circulation and is full of promise for the spirituality of the homes of our people. Great progress has been made in grading the schools and the courses have reached a circulation of 40,877 in one year.

We call special attention to the Wesley Adult Bible Class Department provided for by the last General Conference, under the direction of Rev. C. D. Bulla, pronounced by Dr. Chappell to be "pre-eminently the man for the place."

The report of our treasurer, herewith submitted, will show good results of the observance of Children's Day.

F. T. McINTIRE, Chairman.

C. J. NUGENT, Secretary.

REPORT OF COMMITTEE ON DISTRICT CONFERENCE RECORDS.

Your Committee on District Conference Records begs leave to make the following report:

The record of the Covington District is not signed by the president. With this exception, record is in good shape.

The Danville District Conference opened its session after the devotional services, but does not state how long after, nor the number of services preceding said opening. The record could be much improved by spacing the paragraphs. The secretary's name is not signed to the minutes.

The record of the Frankfort District states that the Licensing Committee, in connection with the said conference, gave one license to two applicants, but fails to state the degree of stock possessed by each. The penmanship could be much improved.

The record of the Lexington District is not signed by the president of the said conference. The record is neat, showing much care in form and penmanship, and is highly commendable.

The chairman and secretary of the Maysville District Conference reversed the order in their signatures to the minutes of the conference. The work is commended.

The record of the Shelbyville District Conference is approved.

J. W. SIMPSON, Chairman.

REPORT OF THE BOARD OF CHURCH EXTENSION.

The twenty-ninth annual session of the Board of Church Extension of the Kentucky Conference was held in the Assembly Presbyterian church, Harrodsburg, Ky., September 22 and 23, 1910. Chairman O. J. Chandler presided. W. M. Britt was elected secretary pro tem. Treasurer W. W. Ball made the following report. (See Report.)

According to resolution passed last year, 20 per cent of the amount collected this year, or \$450, was set aside to be added to the Conference Loan Fund.

Various applications for aid were presented, and after careful consideration the following appropriations were voted:

To Olympia, Bath Co.....	\$200
To Jones Fork, Knott Co.....	100
To Irvin, Estill Co.....	100
To Tyrone, Anderson Co.....	100
Loaned to Middlesboro	387

We are gratified to report that our total collections this year amounted to \$2,697.45, which is an increase over the collections of last year of \$440.25. This, however, is only 66 1-3 per cent of our assessment.

It will be remembered that last year we assumed an assessment of \$286 for the Church Extension Department of the Colored M. E. Church. Our treasurer is authorized to turn over the 66 1-3 per cent of that amount, or \$189.71, to the proper authorities of that Church. That amount deducted from our total collection of \$2,697.45 leaves \$2,507.74, which divided equally with the parent board and our own, gives each \$1,253.87.

The following blank form of application of trustees to the board for money appropriated was presented by the treasurer. The form was adopted and ordered printed in the report of the board in the conference minutes.

To the Chairman and Secretary of the Board of Church Extension, M. E. Church, South, Kentucky Conference:—

This is to certify that our title to lot is good, and the "Trust Clause" is in the deed, as required by our Discipline; that the lot is paid for and that our house of worship is completed and ready for occupancy (or is occupied); and that your appropriation will pay us entirely out of debt, and we ask that you give us an order on your treasurer for same.

The new board for the incoming quadrennium was organized by electing C. L. Bohon, chairman, W. M. Britt, secretary, and W. W. Ball, treasurer. The treasurer presented a bond in the sum of \$3,000, which

was accepted and approved. On motion, the chairman and the secretary were constituted the Executive Committee of the Board.

Our assessment for next year is \$4,425, and is divided among the districts as follows:

REPORT OF COMMITTEE ON BOOKS AND PERIODICALS.

We, your Committee on Books and Periodicals, report as follows:

We rejoice in the signs of increasing prosperity manifest in our Church in all departments of the work, and we recognize the fact that if we would make this prosperity permanent, and make our Church efficient, we must give special heed to the mental and spiritual development of our people. To this end it is not sufficient to publish wholesome religious literature, but we must circulate the same.

We are well supplied with first class literature in our various periodicals. The Central Methodist-Advocate, our Conference organ, takes high rank among our weekly journals, and deserves a much larger circulation than it has at the present time. Our Quarterly Review is doing a much-needed work, in supplying a demand that can be met by no other periodical. We commend it for its scholarly treatment of vital questions in its able articles, for the editorial work of the gifted editor, Dr. Alexander, who, by his ripe scholarship, is conferring great honor upon the Church, and for its especially valuable book reviews. Our preachers will find this department alone worth the price of the Review as a guide in the selection of books. Our laymen would do well to support and profit by this Review.

Our Christian Advocate is a high grade paper that should make its weekly visits into all our homes. Its new editor, Dr. T. N. Ivey, is no novice in the work, and he is giving the Church a paper that is at once scholarly and popular and, above all, thoroughly evangelistic in tone, and is a worthy leader in the great movement for a general revival throughout the Church. It is our shame that we give it such meagre support.

The Epworth Era continues under its new editorship to be a worthy leader in our young people's work.

We congratulate the Church upon the proposed consolidation of the Go Forward with the official organs of the Woman's Home Mission and Foreign Missionary Societies, so as to present all our missionary interests in one paper, to be sold at the small cost of 50 cents per year. This publication should be hailed with delight and be found in every household.

Our Sunday School literature is ably edited. We congratulate the Church on the re-election of Dr. Chappell as editor, and most heartily rejoice in and commend this literature as among the best to be found in any Church. All our own schools should be supplied with our own helps.

The report of the Book Agents was before the committee and we rejoice in the increased prosperity of our Publishing House, the report of the agents showing an increase in profits over last year of over \$13,000. Let our preachers and people buy, read, mark and inwardly digest, our own wholesome literature, and the result in mature Christian character and efficient service will be most gratifying.

Respectfully submitted,

J. R. SAVAGE, Chairman.

J. L. REES,

CHAS. F. EVANS.

REPORT OF COMMITTEE ON FURNISHING OF PARSONAGES.

We, your Committee on Parsonage Furnishing, would report as follows:

We rejoice in the progress made toward the furnishing of our par-

sonages with heavy furniture since the agitation of this question began two years ago. In that time much furniture has been placed in our preachers' homes.

It has been the aim of the committee to have a uniform movement in our conference, and to this end we have made special effort to furnish the kitchens and dining rooms first. This has been done in many charges. Others will furnish with change of pastors. We urge our preachers and people when changes are made to see that this is done, and save the incoming pastor the expense and trouble of moving this part of his household goods.

We have in the conference 125 pastoral charges and 84 parsonages; 6 districts, and 1 district parsonage; only 70 per cent of charges with parsonages. Our itinerant system demands the parsonage, and we urge the importance of every charge providing a home for the pastor.

We find only two in the conference completely furnished—Covington (Scott Street) and Alexandria. Many with some furniture; some pretty well supplied; others with funds to furnish or accumulating funds. We trust the work will be pushed by our preachers and people. We specially commend the Woman's Home Mission Society for their zeal and success in the work. The Woman's Home Mission Society is to be congratulated on the splendid parsonage issue of the Central Methodist Advocate gotten out during the year, giving full details of our work. Also we thank the managers of the paper for their courtesy and hearty co-operation in preparing this issue.

We have failed to get adequate reports from the preachers as to what has been done during the year, but from the few reports received, we believe that considerable furniture has been added.

We commend the Woman's Home Mission Society on the good work already done, and request them to continue and redouble their diligence in the future.

We recommend that the presiding elders be requested to fill vacancies in the Parsonage Committee, when a vacancy is caused by the removal of a preacher from the district who is a member of the committee.

We further recommend the election of the following committee for the ensuing year:

Covington District—J. R. Savage and M. L. Swetnam.

Danville District—C. K. Dickey and B. J. Durham.

Frankfort District—T. W. Watts and T. J. Jenkins.

Lexington District—J. W. Crates and Alfred Combs.

Shelbyville District—P. C. Eversole and J. T. Morgan.

Maysville District—J. W. Gardiner and J. W. Boulden.

We further recommend that the Parsonage Committee be printed in the Minutes as one of the standing committees.

Respectfully submitted,

J. R. SAVAGE, Chairman.

REPORT OF THE AMERICAN BIBLE SOCIETY BOARD.

We believe the Bible to be the revealed will of God and enter our hearty protest against any and all comments on it from the standpoint of the "higher critic" that would invalidate any part of the Holy Scriptures. No agency has done more to give the world the Word of God than the American Bible Society. We, therefore, rejoice in the large contributions the society has received since our last report; and to show our further interest in its work, we do hereby recommend an assessment on our conference of \$500.00.

C. M. HUMPHREY, President.

W. L. CLARK, Secretary.

REPORT OF THE COMMITTEE ON SABBATH OBSERVANCE.

Your Committee on Sabbath Observance submits the following report:

The stone on which God wrote the decalogue was symbolic of its duration. It was to hold on through all ages and changes. Every commandment written thereon was founded in the fitness of things. It was never intended to be the plaything of mercenary greed and social frivolity. The Son of God himself has pointed out the extent of its flexibility and we should not push our laxity beyond what He authorized. Certainly our Methodism does not wish to appear as a lax expounder of the Sabbatic law. She should continue, as she ever has done, to inculcate strict adherence to it both as to manual labor and the complexion of our thought on that day. A Sabbath reverentially observed is not only the bulwark of civilization, it is indispensable to solid piety. We need, we must have, a better public sentiment touching the Sabbath. A shameful laxity obtains in the best regulated communities.

There are several glaring desecrations that may be catalogued: Sunday trains, Sunday newspapers, Sunday base ball, Sunday feasting, and such like things. These have been catalogued, denounced and deplored

in every report on Sabbath observance for a quarter of a century, with very little apparent impression on the practice of the people touching the matter. We must not become discouraged, however, but continue to swing the battering ram until the wall is broken and the citidal of Sabbath profanation is destroyed. Perhaps Sunday base ball deserves special mention. Its leaven is especially diffusive at this time. It began on the common of the metropolis, then it made its way to the common of the country town, now it is invading the pasture land of the country side. Something should be done, must be done, to limit it. It goes out and fastens its tentacles on the country lad, who is the Nation's hope, and who alone has been at all immune from its infection. Brethren, what can be done? Where is the remedy?

J. R. PEEPLES, Chairman.

C. A. GOSSETT, Secretary.

The following report of W. E. Arnold, Committee on the M. P. Morgan Bequest, was read and adopted:

HARRODSBURG, Ky., Sept. 26, 1910.

About twenty years ago, Bro. J. M. Morgan, a devoted member of our church in Campbell County, Ky., died, leaving a will, in which it was provided that a certain residue of his estate should be paid to our Book Agents at Nashville, Tenn., to be expended by the proper authorities, one-fourth to Church Extension, one-fourth to Foreign Missions, and one-half to Domestic Missions. As far back as 1892, we find J. C. Minor, Committee, reporting to this body that certain sums had been turned over to the Book Agents in obedience to the requirements of this section of the will. The Kentucky Conference set up the claim that it was the intention of the testator to leave this part of his estate for use in the mission fields in the bounds of the Kentucky Conference. Various committees were appointed from time to time to look after the interests of the conference and various reports follow. But from 1898 to 1905 the matter seems to have been lost sight of, as no record appears in the Minutes of the Legal Conference concerning it.

In looking over these Minutes I discovered that this item of business had never been closed, and in the year 1905 I brought the matter to the Legal Conference. I was appointed on a committee to take up the matter with the Book Agents and to represent the conference in an effort to collect this money. For various reasons, the committee did nothing, and two years ago it was discharged and I was appointed to represent the conference. I at once secured counsel and proceeded with the matter. I am happy to report that an agreement has been reached with the Book Agents whereby they will soon turn over to trustees appointed by our Conference Board of Missions the full amount of the bequest, to be de-

voted to Domestic Missions, and this without a suit to construe the will. The money has for sometime been invested and the principal and interest amounts to something like \$4,500. This money, less the attorney's fee, which will be adjusted by the Mission Board, will soon be available for our Conference Mission work. I recommend that this body authorize the Board of Missions to receive the money and administer it according to the terms of the bequest.

Respectfully submitted,

W. E. ARNOLD, Committee.

Officers were elected as follows: Jno. R. Deering, president; J. L. Clark, secretary; W. W. Ball, treasurer.

W. W. Ball presented his bond as treasurer. The bond was ordered filed.

The conference then adjourned.

Signed:

JNO. R. DEERING, Pres.

J. L. CLARK, Sec'y.

SCIENCE HILL SCHOOL

Shelbyville, Kentucky

has entered upon her eighty-sixth year of work with a full boarding department and a Faculty that is itself the assurance of fine work.

Thirty among the students are preparing for college and university work. Twenty who have completed the course here are now studying at Wellesley, Vassar, University of Chicago, Leland Stanford, McGill University of Montreal, Sweet Briar and, Randolph-Macon.

Students who could not be accommodated this year because of the limited boarding department are applying for rooms for 1911-'12.

For catalogue and particulars concerning the school, write

MRS. W. T. POYNTER, Principal

Kentucky Wesleyan College

Winchester, Kentucky

LOCATION

Kentucky Wesleyan College is located in one of the most progressive towns in the famous "Blue Grass Region". The health record of the town and College is phenomenal. There has been practically no sickness in the College for years.

BUILDINGS

The plant includes four buildings, situated upon eight acres of the highest land in the city. The Administration Building is one of the handsomest and best equipped buildings in the State, heated by steam, lighted by electricity, and containing an auditorium which seats 1,000 people, together with complete laboratories, baths, gymnasium, etc. Clark Hall, the dormitory, accommodates about 50 young men who live as a large family under the supervision of a member of the faculty. The entire building is heated by natural gas and lighted by electricity. The Academy is a beautiful modern structure which is large enough to teach about 100 pupils successfully. The Broom Factory is a concrete building and furnishes employment for about 12 students. Within a year we expect to have a \$30,000 Carnegie Library on the campus, \$24,000 of the money being in sight.

FACULTY

The Faculty consists of nine able, experienced, mature, Christian men, all of whom are graduates of institutions of higher learning.

COURSES

We have a full four-year academic course, Class A; collegiate course leading to the degrees of B. A. and B. S., fully recognized everywhere; a post-graduate course leading to the Master's course; special courses in Oratory and the Bible.

RELIGIOUS

Our Y. M. C. A. and Y. W. C. A. are very much alive and we have one revival each year.

ATHLETICS

We encourage sane athletics under careful supervision, with a limited number of inter-collegiate contests.

EXPENSES

A liberal estimate of the total expense for one year is \$180.

OUR PURPOSE

We strive to train the mind, consecrate the will, and strengthen the body, so as to develop to the maximum efficiency every function of the man.

THIS SCHOOL

stands pre-eminent in all the South for *thoroughness* and *discipline*. Its moral atmosphere is not surpassed in the State. It is a HOME school; has *military* and *literary* combined, at the cost of one. Does not "go to seed" on athletics, yet has good gymnasium and fine athletic and military drill fields. It limits its attendance to fifty. It is no "cheap" institution, nor yet are its prices exorbitant. We look after the development of head, hand, and heart; have had charge of hundreds upon hundreds of boys for thirty years. We offer you a *clean, wholesome, efficient literary and military training school, non-sectarian, yet thoroughly religious*, whose fruitage is a symmetrical boy who obeys, studies, drills, respects duty, esteems himself, and makes life worth living.

Are you looking for just such a place for your boy? There is but one time to educate him; an error made *then* is fatal.

The Head Master of the Louisville Training School has probably prepared more boys for university and business life than any other educator in Kentucky, and considers himself in a better position to do good work than ever before. But few weeks pass that he does not get letters from parents or old pupils acknowledging their debts of gratitude for his services.

Our military system without its harsher features is commending the school as never before. On the opposite page is a cut showing the officers' group of the past year.

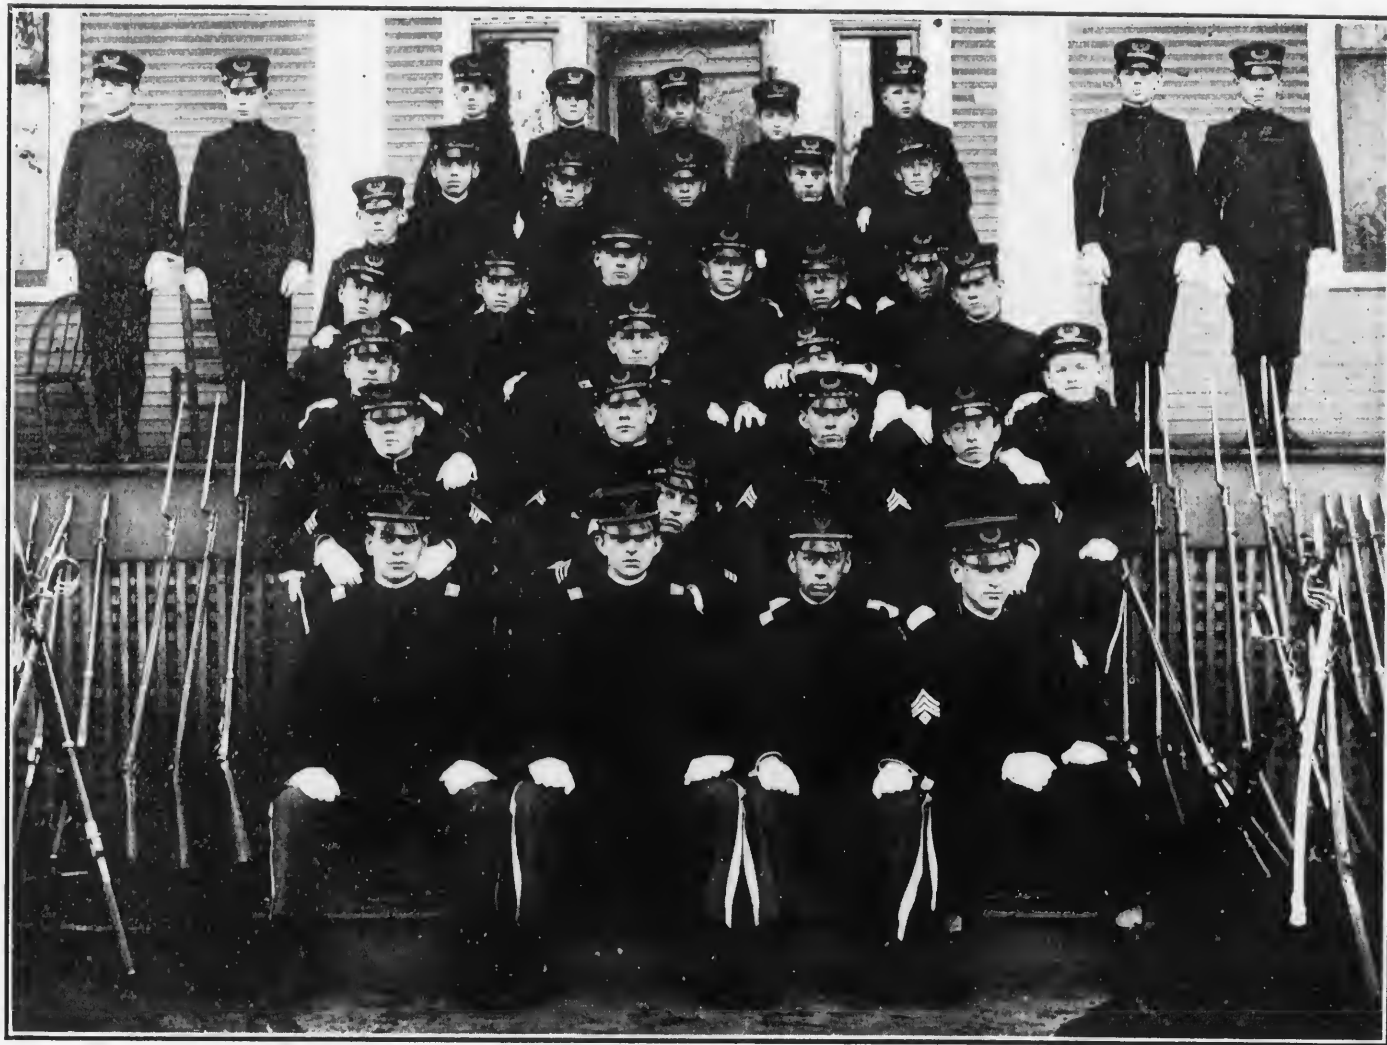

Our spring term opens Monday, January 17, 1911. Our ranks are full now, but by January 17 we will be able to take others.

Let us help you select by sending you our illustrated catalogue. Send for it. It is free. Or visit us at Beechmont. Take the Fourth Avenue car, Park via Third.

Yours truly,

W. H. PRITCHETT, Head Master and Owner

To Any Minister

For months we have been telling the ministers of the United States—**yes, of the entire world**—through the columns of the various religious publications of the entire country, about the new Fox Visible Typewriter, **and of our special offer to ministers.** Replies from these advertisements have been received from every corner of this country—and from a large number of foreign countries—and hundreds upon hundreds of ministers have taken advantage of our Mr. W. R. Fox's most unusual—and exceedingly liberal—proposition, and have become the possessors of the new Fox Visible Typewriters.

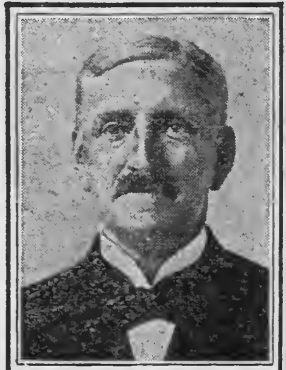

If there is one typewriter more than another **that a minister should not buy**, it is one of the cheap "rebuilt to sell" typewriters that are being advertised at from \$15 to \$50. Beware of the "Syndicates" and "Sales Co.'s"—they do not manufacture but deal in second hand and rebuilt typewriters—**old models that the manufacturers can not sell.** There is only one typewriter that should be considered by any minister, and that is **THE BEST.** Your work entitles you to this, and, furthermore, the best is always the cheapest in the end.

Will You Let Mr. Fox Help You Buy a Typewriter?

As a minister, and a business man, we appeal to you not to purchase any typewriter, at any price, nor from anyone, no matter how flattering the proposition may seem to you, until you have given us an opportunity to send you for inspection and trial a new Fox Visible Typewriter. This we will do at our own expense—**will not even ask you to pay the express charges**—and you will not be under the slightest obligation to purchase our typewriter after trial **unless you wish to do so.**

After trial if you wish to purchase our typewriter—**on Mr. Fox's special proposition**—you can pay us a little down and the balance at the rate of **20 cents a day**—no payments to be made on Sundays or Holidays.

WILL YOU DO THIS? We feel that this is "**your chance of a lifetime**"—it may be your **one and only** chance. Will you let us help you to come to such a wise decision that there will be no after regret—no financial loss—on your part? If so, fill out the following coupon and mail it today—**do it now before you forget it.** Address our Mr. W. R. Fox personally.
